

NURSERY NEWS

APRIL 2018

WHAT'S BEEN HAPPENING?

STAFF INFORMATION

We have had a busy month in nursery, we have welcomed 7 chicks to the world. 1 Female chick and 6 male chicks. The children loved this new experience watching the chicks being born and holding them in their hands. We would like to ask parents who have kindly taken a chick if you could send us some photographs as they start grow and send them to garston@honeypotnursery.co.uk

REMINDERS

Can we please remind all parents that our food bank is up and running at the main entrance of the nursery. Please take any items/food that you will benefit from.

Staff Changes/ Nursery Layout

Jael is now working in the Busy bee's room and we like our staff to gain experiences working with different age ranges. Jael will be taking a room leader role in busy's from April.

We would like to welcome Alba to our busy bee's team, Alba will be replacing Jess as she leaves for her maternity.

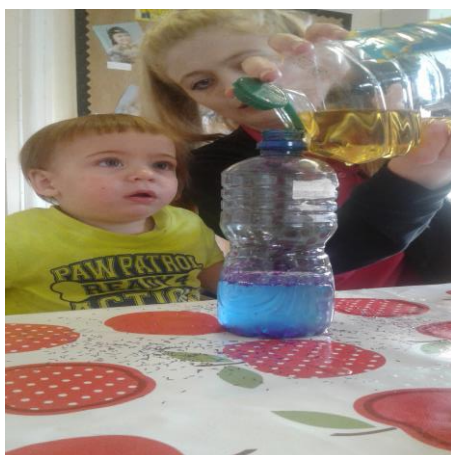

During the month of March our children also took part in Science week. This was also in memory of Stephen Hawkins. The children took part in different activities such as painting black hole pictures, researching space on our interactive boards, creating their own bubbles and making sensory bottles.

- Effective story telling

MESSAGE FROM CENTRAL SUPPORT

We would like to wish all our children and their families a lovely Easter

Employee of the month**CHELSEA**

Chelsea has been awarded Employee of the month. She has completed her Liverpool Early Years credited SENCo award. Chelsea has worked really hard and is enjoying working close with children's keyperson to support further learning.

Room of the month**Busy Bees-**

Busy bees have been awarded room of the month the busy bees team work in their room is fantastic. They have implemented a great routine that works so well to support all their children. All staff are aware of their own key children's needs and they get great feedback from their parents. They are well organised and their room is always clean and tidy and up to high standards. they are always looking for new ways to extend the children's learning

CHILDREN'S PROGRESS

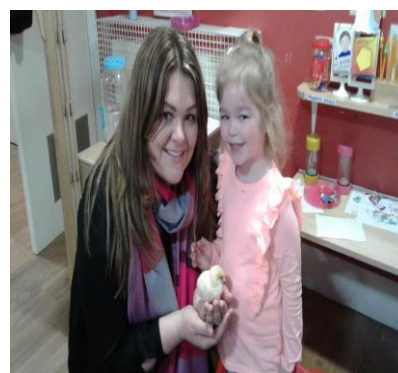

DATA ANALYSIS FEBRUARY 2018:
