

Honey Pot Nursery Newsletter

- August 2017

Garston

Transition/Open Evening

On Thursday 3rd August, we will be holding a transition/open evening from 6:15pm – 7:15pm. This will be an opportunity for you to come along and visit the room your child will be moving up to in September. You will get to meet your child's new key person and find out a bit more about what your child will be up to on a day to day basis in their new room. This event is aimed at parents so children don't have to attend with you but if you are unable to find childcare then feel free to bring them along. If any of you have any friends or family members that are interested in putting their child in the nursery then you are more than welcome to bring them along and Alison will be more than happy to give them some information and give them a tour of the nursery.

Room & Employee of the Month

Room of the Month for June was awarded to Busy Bees, well done to Rachael and her team for their continued hard work and dedication!

Employee of the Month was awarded to Rachael Ross. Rachael works consistently hard and has done since starting with us, as a practitioner and a room leader she goes from strength to strength and I can't praise her enough.

New Management

I am sure most of you have already met Alison who is going to replace me as the new nursery manager. Alison is settling in to her new role with ease and is really getting stuck in. Alison has many years' experience of managing a nursery and I think she is going to be a fantastic addition to the Honey Pot Team. For those of you have not met Alison yet, please pop in to the office!

Bank Holiday

Just a reminder that nursery will be closed on Monday 28th August as it is Bank holiday!

Staff Training

Throughout August and September, Ashley our Quality and Training Manager will be carrying out some exciting training programs with our staff up at Honey Pot Head Office. Some of the training they will be accessing are:

- Superhero Play
- Supporting Risky Play
- Effective Story Telling
- Supporting Mathematical Development
- Nutrition in the Early Years

We feel it is so important to give our staff such valuable experiences.

New Fee Contracts

As you are all aware there will be a small fee increase from September 2017. New fee contracts will be circulated at the beginning of August and these must be returned no later than 31st August. Any fee contracts not returned by this date could cause a delay in your child's attendance in September.

Good Luck in 'Big School'

This month we will say goodbye to the last few school leavers. They have worked really hard during their time at Honey Pot and are definitely ready for school. They have all been a pleasure to care for and we send them on their way with lots of love. We are looking forward to them visiting us in their school uniforms.

Goodbye from me ...

Well it is with great sadness that I write my final newsletter for Honey Pot. I can't express how much I have loved my time here over the past 10 years, I will take lots of fond memories away with me. I would like to thank all of the parents and their adorable children for making my time here so enjoyable and I would also like to thank Julie, Tony and all of my very hard-working staff who have made coming to work each day worthwhile. I am going to miss you all but I will pop in from time to time to see you all. My last day is Friday 18th August and then my new chapter begins, I am really looking forward to spending more time with my family, but thanks again to you all!!

goodbye ♥

Tina
