NOVEMBER 2017

WHAT'S BEEN HAPPENING?

The children have been on some exciting trips this month, one of their favorites was Knowsley safari park where they experienced the monkey's, lions and zebra's. The children have also been raising money for children in need, they wore their pyjamas to nursery and baked some yummy cakes.

Also this month the children have celebrated remembrance Sunday where they learnt about how "the soldiers keep us safe" and designed their own poppies.

The children have been working very hard to practice their nativity plays and sing along this month. We can't wait for you all to see and hear them.

STAFF CHANGES

This month we would like to welcome Sami back for maternity leave. Sami has worked at our Childwall site for many years and is looking forward to becoming part of the Wavertree team. Sami will be the room leader of the Honey Bee's room which is due to open in January for children aged 1-2years. I am sure you will all give Sami and her daughter Maisie a warm welcome back.

EMPLOYEE OF THE MONTH

DOMINIQUE

Dominique has received employee of the month for November, Dominique has settled well into Honey pot during her first month and I have received lots of lovely feedback from parents saying how warm and lovely she is. Dominique has ensured that all children and parents feel secure around her and nothing is too much trouble. Well done Dominique

CHILDREN'S PROGRESS

This month the staff will continue to track the children's development. We will use the children's baseline levels and monthly tracking to see how much they have developed during their first few months with us. We are looking forward to being able to set ourselves targets on how we can further develop the children's learning and find out the strengths and areas for development
