Message from central support

A huge welcome back to all of our children who have returned to from June 1st. We have been delighted to hear more little voices and see more smiling faces around the nurseries. We look forward to welcoming back the rest of the children shortly. We are currently putting together plans for the graduation ceremony for our school leavers.

Every year we hold a big celebration event where the children get together with their families and celebrate graduation. Due to social distancing restrictions, the logistics of this will have to be different this year but we are working on making it an enjoyable experience for everyone. More details to follow soon.

Many Thanks
Carla, Lauren and team xx
