Message from central support

June has been a lovely month settling some of our children back into nursery. We are very much looking forward to more children joining us in July!

In July we are able to welcome back some more familiar faces as we are excited to welcome back diddickicks, yoga bears and forest school! All sessions will be outside and each activity has been jointly risk assessed and agreed measures put in place. I'm sure the children will be delighted to see these familiar faces back with us!

Our wonderful maintenance team have been busy in June creating and enhancing new areas and resources for our children. From the lookout tower at Aigburth to the new hobbit hole at Childwall all nurseries are looking fantastic!

We now have a YouTube channel where we can share videos of our nursery. We have recently created virtual tours of each of our sites, feel free to subscribe to the channel and share these wonderful videos with family and friends.
