What's Been Happening

In August, The children have enjoyed returning back to Forest School, having yoga sessions with Yoga Bears again, participating in boogie tots and exploring our new interactive board.

We have also been welcoming a lot more children to our setting and we can not wait for them to start their Journey with us.

We have also been saying goodbye to our school leavers. A lot of our School Leavers have been with us since baby room and it is so sad to see them go, We wish them all the luck in the future and hope they have an amazing first year in Reception.

We have been busy creating staff all about mes to give to all parents as a lot of children have been moving rooms or just starting with us. We will be sending these out to you all during the first couple of weeks in September so look out for them on EYlog.

Room News (Busy Bees)

In Busy Bees we have been settling our Honeys children into their new room and they are building relationships with the new children and their new key worker. We have enhanced the playdough area and the children are really enjoying the free access to this area.

Room News (Honey Bees)

We have been settling in the children who have moved up from baby room and welcoming some new children also. All the older children have been showing great empathy and acting as great little role models for all the new children.

The children have been enjoying the reintroduction of the sand as they have missed this. They have also displayed a great interest in the home corner and therefore we have been enhancing this area to ignite their imagination and follow their interests.

Room News (Worker Bees)

In Worker Bees we have been saying goodbye to our school leavers and welcoming the children from the busys room.

We have been building bonds within our key groups and getting to know the staff and new children within the room.

We have been enjoying lots of mark making activities recently and the children are beginning to recognise some letters and sounds.

Room News (The Bee Hive)

In Beehive we have said farewell to our School Leavers, we had a lovely virtual graduation at the start of the month and it was so lovely to see all the smiley faces.

We have been enhancing our home corner area as the children love this area. We have introduced more hair brushes, make up brushes and other accessories as the children have loved imitating hairdressers,

Room of the Month

Beehive and Worker Bees

We have got two room of the months this month.

Both Beehive or Worker Bees have worked really hard to create a lovely virtual graduation for all their school leavers. They created special graduation gifts and worked really hard to make it as memorable as possible.

Message from central support

On the 1st of September we have opened our brand new site Honey Pot Childcare. It has been a very busy few weeks but we are so happy with our new Honey Pot Site. We have also welcomed most of our children back to all of our nurseries and have welcomed a lot of new little faces across all our sites. We are delighted to have all of our children back with us. Also, the children have enjoyed the return of our extra-curricular activities such as Boogie Tots, Forest School, Yoga bears and Diddikicks.
