Message from central support

We would like to take this opportunity to say goodbye to all of our school leavers across the entire Honey Pot Nursery Group. From those who have been with us as babies to those who have more recently joined the Honey Pot family, you will all be truly missed. We wish you the best of luck in the next phase in your life at school and hope that Honey Pot have helped to provide you with the best possible start. Thank you to those who were able to attend the graduation ceremonies, I'm sure you'll agree that they were fantastic and a great way to celebrate the end of nursery life. We hope that the children continue to flourish at school, and we would love to be kept up to date with how they are getting on. Goodbye and good luck
