Special Recognition:

Our First Special recognition is Layla from our Wavertree site. Layla is an inspirational room leader who creates the most engaging and inviting environments for the children to enjoy, she has recently revamped her reading area and it is the most beautiful space for the children to share stories. She is a positive role model to all the staff and ensures she always puts her team first. She has recently taken on the well-being co-ordinator role to support the staff, children and families of Honey Pot, a role she thought of herself, and we have now implemented across all sites. She also ensures she helps and supports other room leaders in the setting to ensure their rooms are running as smoothly as hers. She is an asset to the Honey Pot Team. Well Done!
