May 2022

What's Been Happening?

This month we have been enjoying some lovely sunshine. The children have enjoyed water play in the garden making the most of the weather. They have also been participating in some lovely easter activities, creating easter pictures and Lauryn even brought her rabbit in for the children which they enjoyed.

Coming up this Month

- 2nd - 5th Eid al-Fitr
- 5th Children's Day (Japan)
- 6th - Vesak
- 12th International nurses day
- 15th Children's day UK
- 18th - National numeracy day
- 22nd - International day for biological diversity
- 16th - 20th - Walk to School Week
- 23rd - World turtle day

Room News (Bumble Bees)

This month Bumble Bees have been celebrating Easter. We have been doing lots of arts and crafts and plenty of messy plays to mark the occasion. We have also been making use of the outdoors since the weather is getting warmer. We have been working on our physical development by making use of the equipment in the garden, and we have been going out on plenty of walks to our local park where we spotted lots of wildlife and got plenty of fresh air. We hope you have all had a fabulous Easter and we are looking forward to doing more fun and exciting activities

Sabrina, Hannah & Team x

Room News (Busy Bees)

This months Busy bees have enjoyed exploring the garden. The children have enjoyed exploring different messy play outside. We have explored different activities for Easter. The children enjoyed a visit from Lauryn's Rabbits, and learning about how she looks after them. We are beginning to focus on letters and numbers. The children are enjoying stories, and beginning to make their own stories starting 'once upon a time'

Kirsty & Team x

Room News (Honey Bees)

This month in Honey Bees we have loved inviting the parents into to our room and sharing the space with them. We have recently enhanced the room and changed some areas, following children's interest. The children and staff have loved celebrating Easter, doing lots of fun activities and most of all sharing their Easter experiences with us. Some of the children have recently made the move to the next room and have been supported by staff members. The transitions are going really well and we will continue to work with staff, throughout the upcoming months to continue to settle the children.

Layla & The team x

Room News (Worker Bees)

This month the worker bees have enjoyed celebrating a variety of different things such as Easter and earth day as well as participating within some fun activities like creating Easter eggs using mixed media materials and making a robot out of recycled materials. We really enjoyed having our very first stay and play session with parents this month and found it super exciting to show everyone our room and the different enhancements we have made as a team. One of the main things we have done this month is make a book with the children that they created the story and illustrations for. The children gave the book the title of "The dinosaur who scares his friends".

Room News (Bee Hive)

This month the children have enjoyed the outdoors as the weather got brighter and our days got longer. It gave us plenty of things to talk about as we discussed the changes that come with Spring. We have had so much fun with all different kinds of tuff trays from super-duper messy play, to improving our fine motor and scissors skills. Beehive were so excited to celebrate Easter and decorated their own beautiful eggs and explored colorful scented playdough. We are so excited to enter the new term and focus on getting all the children ready for the big transition to school.

Other

In April our school leavers found out what school they will be transitioning to in September. We are so excited for the children to start their new adventure. To help support them with this, the staff will be completing school transition reports. Please inform your child's key person of the school they will be attending to ensure the school receive their report.

Thank you.

Special Recognition

Danielle has recently taken on the role of Deputy Manger at Honey Pot Garston. She has done incredibly well in this new role and the staff feel very supported by her. She is dedicated and committed to her role and the company. Danielle has a genuine passion for Early Years and this shines every day making her the perfect role model to all her staff team. We can't wait to see you continue to thrive in your management role, Danielle.

Employee of the month

Bonnie.

This month Bonnie has been awarded employee of the month. Bonnie has worked extremely hard this month and is has lovely strong bonds with all of her key children. Bonnie is always working hard in the room and is eager to learn more. Well done Bonnie!

Room of the Month

Bumble Bees

This month Bumble Bees have worked hard to set out lovely activities for the children. The room looks inviting and calm due to the hard work they have put in. Bumble Bees have been settling children over the month and have done extremely well to ensure they build bonds with the new children following the attachment theory. Well done

Bumbles!

Reminders

We have our 15 year anniversary party coming up in August. All parents and children are welcome for an exciting day filled with lots of fun! We hope you can all make it.

Lisa, Sami and team
