## September 2022

### What's Been Happening?

As ever, it has been a busy month for us all. We would like to say a huge welcome to all our new families and their little ones. We've been working hard to provide an amazing variety of exciting experiences for the children and our staff have worked hard to enhance their rooms, so the provision reflects all our new and existing children's interests. We are all so happy to see the children following their new routines and we are currently preparing for our pre-school committee, were the children voice their opinions, thoughts, and choices on what they would like to see and do, when in nursery.

## Room News (Bumble Bees)

We have been busy in bumble bees and had the pleasure of meeting all new babies this month. The babies have been exploring the room as we have enhanced the areas for the new starters. The children have been exploring messy play tuff trays and getting creative in the paint, while making their mark.

## Room News (Busy Bees)

This month in Busy bee's we have enjoyed welcoming new children and parents to the room. We have been focusing on building relationships with them. We have recently been enhancing our role play area, as we noticed this was one of the children's favourite areas within the room. We decided to add more open-ended resources to excite their curiosity. The garden also got a little upcycle and we have been able to enhance this, ready for the new children to make even more amazing memories. As ever, story time is one of our favourite times of the day and the children have been enjoying listening to stories by Julia Donaldson.

## Room News (Honeybees)

This month in Honey bees, we have been welcoming some new children to the room, who have been fabulous at settling in and getting to explore their new surroundings and making lots of new friends. We have also welcomed some familiar faces too, from Bumble Bees. They have all been very excited to move up and have lots of fun with their new key workers. We have spent our days doing lots of fun activities as we get to know the children and their interests, and spending lots of time outdoors to appreciate the amazing weather while it lasts. Additionally, Honey bees have recently taken an interest in nursery rhymes, and we have been doing lots of sing songs, using puppets and activities to follow this. We are currently making some enhancements to the room that our children are going to love. We are looking forward to seeing what this next month brings.

## Room News (Worker Bees)

The worker bees have had lots of fun this month. We have celebrated international Pirate month by participating within some pirate activities such as making our own pirate hats. We have also celebrated International Dog Day; were we spoke about the pets we have at home and drew some pictures of them. All of the worker bee team also want to wish the school leavers the best of luck at their new school, we will miss all of the children very much, but we know that they are ready to start their new adventure.

## Room News (Bee Hive)

This month in Beehive, we have had lots of children join our room to start their exciting journey in Beehive. At the start of the month, we made England flags to show our support to the England Woman's team who won the Euros. We have said goodbye to school leavers who we wish all the luck in the world of their new adventure.

We would like to thank all parents/carers for sharing the 15<sup>th</sup> year anniversary party with us and donating the raffle prizes. We loved seeing you all and hope you enjoyed it as much as we did.

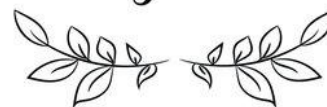

*thank you*

## Special Recognition

Hannah Mclean has a lovely and caring nature with all children in her care. She has particularly worked extremely hard during the children's settling in periods. She has made sure she builds great relationships with the new parents and has also ensured that all her new key children build a strong attachment with herself. Whilst settling the new children, she has also made the transient for her other key children as smooth as possible. She always puts the children first and ensures that they are settled, happy and confident and therefore able to learn and thrive in her key group. Well done, Hannah, we are lucky to have you and so are all the babies at HP Childwall.

*We appreciate  
all you do*

## Employee of the month

### Olivia

Olivia has worked hard this month to ensure her room has run smoothly and settled all new children into the room. Liv is always finding new ways how to enhance her room and will research ideas to make sure the room is looking great for the children to explore. Well done, Liv, we appreciate all your hard work.

## Apprentice of the month

Faye has worked hard this month and settled great into the worker bee's room. She always ensures her work is done on time and has settled new children and families into the nursery. Faye is always willing to help her staff team and will work above and beyond for management. Well done, Faye, we appreciate all your hard work.

## Reminders

Don't forget to renew your 30-hour codes! This must be done every three months. Once you have the code please bring it into nursery, or message Lisa via erna app.

## Other

September- As every September, we are settling the children into their new rooms. Staff are working hard to build bonds and make sure the children settle quickly. Please use our Family app to communicate with staff and they will reply as quickly as they can.

We would like to congratulate Katie in the beehive room! As she has recently took on the new role as room leader. Katie works hard to ensure the room runs smoothly and is always thinking of exciting activities for the children. Katie is a credit to honeypot, and we are pleased to offer her the new position.

If a different adult is collecting your child, please inform your child's room or the person collecting your child from the front door on the day of drop off. The adult collecting your child **MUST** have your child's password.
